

All About Me

Get to Know Me!

Ben is 11 years old, but he'll soon be 12! His birthday is August 29, 2014 making him a Virgo. Ben enjoys coming to school (most days) and does best with a familiar routine. Ben has a seizure disorder called Lennox Gastaut Syndrome and follows a strict Ketogenic Diet to maintain his seizures. He has various seizure triggers including heat, illness or excitement. Despite his challenges, Ben is very smart and capable of learning new things.

Likes
